On March 19th, and 20th, 2020, approximately 2,000 students, teachers, school administrators, parents, industry leaders, and volunteers will converge on the Mobile Civic Center in Mobile, for the first annual **SAWDC Worlds of Opportunity North Career Expo**. The purpose of the Expo is to create awareness about career options among students and educators.

A project of the Southwest Alabama Workforce Development Council (SAWDC), the expo will be a fun, educational, hands-on opportunity where students will get a broad overview of jobs available in the region.

The 2020 SAWDC Worlds of Opportunity Career Expo for 8th & 12th-grade students includes the following industry sectors:

- Aviation & Aerospace
- Computer & Information Technology
- Construction
- Energy
- Healthcare
- Manufacturing
- Shipbuilding & Repair (Maritime)
- Transportation, Distribution, & Logistics
- Wood Products

Business and industry leaders, workforce development and career center representatives, along with school representatives collaborate and partner on this event. For more information and to access additional resources, please visit <https://sawdcalabamaworks.com/worlds-of-opportunity/>.
